Federal Requirements

Federal regulations at **7 CFR Part 226** requires institutions participating in the Child and Adult Care Food Program to maintain support documentation for submitted claims.

These regulations can be found at:

<http://www.fns.usda.gov/cacfp/regulations>

Or

<http://www.ecfr.gov/cgi-bin/text-idx?c=ecfr&SID=86570c8e304645e5da8d64b9d778e428&rgn=div5&view=text&node=7:4.1.1.1.5&idno=7>

Institution and Sponsoring Organizations Responsibilities

Record Keeping

Institutions who participate in the Child and Adult Care Food Program (CACFP) **must maintain records at the sponsor/center location**. Sponsoring organizations of affiliated centers and sites are responsible for ensuring that each center or site under the sponsorship is maintaining current month records. Sponsors of Unaffiliated centers and sites must ensure that each center or site maintains copies of at least the previous twelve months records **on site**. These records must accurately reflect program operations. Failure to maintain such records will result in the recovery of reimbursement and/or termination from the Program.

An organized system for filing and maintaining records will save time when completing the monthly Report and Claim for Reimbursement. For record keeping and organization it is strongly encouraged that all monthly records and supporting documentation be assembled together and filed with a corresponding copy of the Report and Claim for Reimbursement in the institutions or sponsoring organization's main office.

The following records to support reimbursement must be maintained on file for a minimum of 3 years plus the current year:

1. Adult Enrollment Form/Income Application
2. Attendance Records
3. Membership Roster
4. Free/Reduced Price Income Applications
5. Record of Meals Served
6. Program Costs Documentation including Receipts, Invoices, Catering Delivery Tickets and Proof of Program Labor.
7. Menus

Failure to maintain any of the following records will result in the repayment of meal reimbursement.
[7 CFR 226.10(d)]

Folder System

The folder system was designed by the State Agency as an effective way of managing records necessary for meal reimbursement. All institutions are encouraged to have the following labeled folders for each fiscal year:

1. Permanent Agreement/Correspondence/In service Training/Monitor Reviews and Procurement
2. Adult Enrollment Form/Income Applications
3. Monthly folders (October – September) for each month of the federal fiscal year beginning with October. The following items are to be filed monthly in each folder:
 - a. Copy of the Claim for Reimbursement
 - b. Daily Attendance Records
 - c. Copy of Membership Roster
 - d. CACFP Menu Records (Participant)
 - e. Record of Meals Served (Form 17-9) and/or (Form 17-10) for institutions claiming more than 3 meal services.
 - f. Record of Expenditures (17-8)
4. Food and non-food bills, receipts, invoices (must be original, dated and itemized, and include the store and/or vendor name) and Catering Delivery Tickets.
5. Personnel Activity Report Form and/or Paycheck Stub

Civil Rights Compliance and Grievance Procedures

The goal of Civil Rights Assurance and Compliance is to ensure that Child Nutrition Program benefits are made available and provided to all eligible individuals without discrimination.

Discrimination is defined as distinguishing a person, or group of people, **either in favor of or against** others intentionally and doing so by neglect or by actions or by lack of actions based on the six protected classes.

The six protected classes associated with the Child and Adult Care Food Program are race, color, national origin, sex, age and disability.

Responsibilities of Institutions and Sponsoring organizations

USDA regulations outline responsibility regarding civil rights compliance in CACFP.

The following areas of compliance are the

1. Public Notification System

- Institutions and sponsoring organizations must convey the message of equal opportunity in all photographic and other graphics used to provide program information.
- For an institution’s website, the following Non-Discrimination statement can be used by the following link:
<http://education.ky.gov/federal/SCN/Pages/USDANondiscriminationStatement.aspx>

**** The Non-Discrimination Statement is displayed below in its' entirety ****

- Ethnic and racial data for each site must be documented annually in the management plan as part of the initial and annual renewal process;
- Institutions must maintain 3 years plus current year of the documentation of ethnic and racial data;
- The collection of racial and ethnic data allows institutions and sponsoring organizations, and the state agency to determine how effectively the program is reaching the diversity of a population and if outreach is needed.

****Example from the Management Plan is located on the next page. This is the process for collecting ethnic and racial data as documented in the management plan ****

(1) Percentage breakdown of eligible population by racial-ethnic category for the elementary school closest to your center. The link to the racial/ethnicity report for KDE schools is on SCN's website.

Institution of Sponsoring Organization In-Service Training Documentation

Child Care Center, Adult Day Care Center Institutions and Sponsoring Organizations must conduct training with key staff regarding Child and Adult Care Food Program requirements within **four** weeks of attendance at State Agency training. New institutions and sponsoring organizations *must conduct training with key staff within the first four weeks of program participation*. Documentation of the training must be recorded on the IN-SERVICE TRAINING FORM. The State Agency recommends discussing the following topics during staff training:

7 CFR 226.16 (d)(2-3) states:

“Training on Program duties and responsibilities to key staff from all sponsored facilities prior to the beginning of Program operations. At a minimum, such training must include instruction, appropriate to the level of staff experience and duties, on the program’s meal patterns, meals counts, claim submission and review procedures, record keeping requirements, and the reimbursement system. Attendance by the key staff as defined by the State agency is mandatory:

Additional mandatory training sessions for key staff from all sponsored child care and adult care facilities not less frequently than annually. At a minimum, such training must include instruction, appropriate to the level of staff experience and duties on the programs meal patterns, meal counts, claim submission and review procedures, record keeping requirements, and reimbursement system. Attendance by key staff, as defined by the state agency, is mandatory.”

The Kentucky CACFP State Agency defines “Key Staff” as any staff member with primary responsibility for the operation of the CACFP and/or maintenance of the records that support the monthly claim for reimbursement and compliance with any CACFP requirement. This includes staff members who have monitoring responsibilities along with staff, volunteers or contractors.

In addition to the mandatory civil rights training, the State Agency recommends discussing the following topics during staff training:

1. Civil Rights Compliance (**MANDATORY**),
2. Meal pattern requirements (necessary food components and proper portion sizes to be served at each meal as illustrated on the Food Chart),
3. Meal counts (requirement that staff conduct the meal count at the time of each meal service and document the number of meals served on Record of Meals Served Form 17-9),
4. For those institutions approved for more than 3 meal services, Record of Meals Served Form 17-10 will be used daily to record the names of the children and to indicate which meals they consumed. Facilities may only claim two meals and one snack or two snacks and one meal per participant per day. The Form 17-9 will be used to consolidate all daily meal service totals for claim submission,
5. Attendance records,
6. Safety and sanitation,
7. Menus
8. Personnel Activity Reports,
9. Other records required by the Child and Adult Care Food Program (CACFP), the United States Department of Agriculture (USDA) and the State Agency.

Ongoing training should be conducted and documented as the institution hires new staff throughout the fiscal year. New staff must be trained within the 1st week of employment. Remember to always have new staff members sign in when training is completed. The trainer must provide a signature and date for all new staff trained throughout the year.

Any staff conducting in-service training must have completed training on CACFP policies and procedures.

A Civil Rights Training Video is available on the State Agency Website.

All institutions are required to keep the State Agency Issued Menu Records. Menus function as an important tool because menus help ensure that centers meet proper meal pattern requirements. Menus also report which foods are prepared and served to participants. Therefore, Menus help support food purchases and costs. When listing food items served on Menu Records, be very specific as to the type (i.e. fresh pineapple, canned pineapple tidbits or pineapple slices) and date served. Foods on the menus will be cross referenced with the purchases on food receipts and invoices. The Food Buying Guide will be a necessary and important reference tool during meal planning and preparations. Institutions are responsible for purchasing and preparing adequate amounts of each component for the number of participants being claimed during the meal service.

It is the responsibility of the center/sponsor to ensure that meals meet minimum requirements as to meal components and portion sizes per participant. In addition, the institution or sponsoring organization should provide additional training to the cook in the use of the Food Buying Guide and the Food Crediting Guide.

The USDA Food Crediting guide and Food Buying Guide instructs institutions in regards to what foods are creditable and how much should be purchased/prepared for reimbursement in the CACFP. These guides may be found online at:

Small Purchase Procurement

(Comparison Shopping for Grocery and Retail)

To meet the procurement requirements for small purchases, such as those items purchased at a grocery or retail store, the State Agency requires that you complete comparison shopping for six of your most frequently purchased items at least once a year. You will select at least three separate, but similar retail stores, and compare the costs of these items within those stores. You are required to select the store that has the lowest price, unless other circumstances, such as proximity of the store or consistency of quality, impact your decision. This needs to be documented on the Small Purchase Procurement Form.

CACFP Instructions for Completing the Small Purchase Procurement Form

1. Input date of procurement.
2. Choose 6 most commonly purchased items.
3. List 3 grocery stores in the area.
4. Fill in prices for the 6 items at each of the 3 stores.
5. Decide where items will be purchased.
6. Explain why store was chosen (location, options, etc.) if it didn't offer lowest price.
7. File in the CACFP folder system.

Instructions for Completing Food Supply Vendor Procurement: Invitation to Quote, Procurement Form, and Procurement Log

Procurement is required by FNS regulation (7 C.F.R. §226.22). As with all other Federal funds, the primary objective of these procedures is to ensure **maximum open and free competition**. Although the program regulations do not specifically limit the term of CACFP procurement contracts, **the State Agency will only allow contract terms of one year**.

Those institutions and Sponsoring Organizations, who use food supply vendors such as Gordon Food, US Foods, or Sysco, must conduct procurement. Use the instructions and forms included in this handbook to assist you in conducting your food supply vendor procurement. Per State Agency policy, this procurement must be conducted within the first four weeks of the fiscal year.

Instructions

1. Fill out the Food Supply Vendor Contract listing the items the vendors should bid on. Make three copies. (Form A)
2. Obtain the names, addresses, and email addresses of at least three food supply vendors.
3. Fill out the prototype *Invitation to Bid* letter with the necessary information (a modifiable document can be located on the State agency website) (Form B)
4. Mail or email a Food Supply Vendor Contract and an Invitation to Bid to each of the food supply vendors with a date when bids should be returned. **Institutions must ensure that all potential food supply vendors receive the same information.**
5. When Food Supply/Vendor Contracts are returned, compile the bids; complete the procurement log, (Form C) and document which food supplier was selected. Sign the Food Supply Contract of the vendor chosen and send the selected vendor a copy of the signed contract. If the lowest price is not the reason for selecting a prospective bidder, document why the alternate food supply vendor was chosen.
6. Keep all contracts, the procurement log, and any correspondence with the food suppliers concerning the bid in your CACFP folder labeled, "Procurement". Procurement records must be kept for three years after the close of the fiscal year.

***If no response is received from vendors, document request sent and file in the appropriate CACFP folder.**

RECORD OF MEALS SERVED

The Record of Meals Served Form (17-9)/Form (17-10) is the official source of documentation used to verify meal counts.

All institutions must maintain an accurate daily count of meals served to participants. **The count must be taken during the meal service and it must total the actual number of meals served. The meal count shall not be taken from the Daily Attendance Records, sign-in sheets, licensed capacity or enrollment.** Institutions may claim reimbursement only for meals served to participants who are enrolled in the program, have attended at least part of a day, and have a **current, completed, signed and dated CACFP Adult Enrollment Form/Income Application on file.**

The Record of Meals Served Form also provides an area to record total daily attendance each day. Daily attendance figures are taken from Daily Attendance record and recorded under, "Total Daily Attendance".

After the last meal service on the last serving day of the month, institutions shall record the amount of milk that was not served, in the space provided at the bottom of the next month's Record of Meals Served. This amount will represent milk to be carried over to the Milk Reconciliation Form in the upcoming month.

The Daily Attendance Record is not the same as the "Record of Meals Served." In some cases, participants may be present at the center, but the individual may not participate during the meal service. Therefore, reimbursement is calculated based on meals actually served, not attendance records.

Institutions are eligible to claim reimbursement for either two meals and one snack per participant per day or one meal and two snacks per participant per day.

Instructions for completing CACFP Record of Meals Served (17-9) form

1. Fill in the Center/Site Name.
2. Fill in Month/Year and record any carryover milk from the previous month at the bottom of the page.
3. Place number of meals served next to the appropriate date.
4. For each meal service, list the number of program staff/caretakers that were served meals under the PA (Program Adults) column. This column doesn't need to be totaled at the end of the month and is **not** included in the monthly claim for reimbursement.
5. At the end of the day, place total number of participants in attendance under the Total Daily Attendance column. *Reminder, the total number of meals served should never exceed the Total Daily Attendance.*
6. At the end of the month, total all columns for the month and use the information for the monthly claim (number of meals served for each meal service and total attendance for the month).

INCOME APPLICATION FOR FREE AND REDUCED PRICE MEALS

Institutions participating in the CACFP must obtain information regarding “free and reduced price meal eligibility” for each participant being claimed as free or reduced. **The eligibility information is confidential for each participant and must be kept on file. The information is considered valid for one calendar year from the date of the parent/guardian/client signature.** The State Agency recommends that sponsoring organizations obtain income information as a part of the enrollment process.

Applications must be correctly and completely executed by the participant or guardian/caretaker. Institutions must correctly classify enrolled participants in one of the following categories based on information obtained from the income application: free, reduced, or paid. All Enrollment Form/Income Applications must be reviewed for completeness by the institution. **The determining official must sign and date for the application to be deemed complete.**

The State Agency will review Enrollment Form/Income Applications to ensure that the applications have been completed and the participants are correctly classified. If verification reveals that the application has inaccurately been classified or that numbers of enrolled participants have been incorrectly reported, the State Agency will require a corrected claim. A deficiency finding from a compliance review will result in the recovery of any overpayments. As a result, a follow up, on-site review may be scheduled to ensure that the problem has been corrected.

If a participant is from a family **receiving** SNAP, SSI or Medicaid, the completed application must include the participant’s name, SNAP, SSI or Medicaid number and must be signed and dated by the parent/guardian.

Or

If a participant is from a family **not receiving** Supplemental Nutrition Assistance Program (SNAP), SSI or Medicaid, the completed application must include the participant’s name, list of all household members, last four digits of the social security number of the head of household, and income by source. The application must be signed and dated by the parent/guardian.

Please ensure that any SNAP/SSI/Medicaid numbers reported are the actual case numbers, not the amount received or the SNAP EBT number.

If the family of a participant is unable to complete the Enrollment Form/Income Application due to a physical or mental disability, illiteracy, or language barrier, the institution may complete the application and the parent/guardian and/or client should make an “X” to indicate that the sponsor has completed the application on their behalf. The staff member must initial and date the Enrollment Form/Income Application and indicate why the parent/guardian/client could not complete the form without assistance.

If the family of a participant refuses to complete the Enrollment Form/Income Application and the enrollment information is completed and the form is signed and dated, the participant will be classified as “paid”. If no form is returned, the participant is not eligible for meal reimbursement.

Adult Day Care
Revised FY 2016-2017

Dear Participant or Guardian/Caretaker:

The CACFP offers meal reimbursements to adult day care facilities which provide structured comprehensive services to nonresidential adults who are functionally impaired, or aged 60 or older. By completing the attached income application, the centers will be able to receive reimbursement, which is based on the number of enrolled participants that are eligible for free or reduced price meals.

Please help the center comply with the requirements of the CACFP by completing, signing and returning the attached form as soon as possible. This information is necessary so that we may receive CACFP reimbursement for the meals served to your participants in our program. The completed form will be placed in our files and treated as confidential information. All participants in our program receive their meals free of charge, but the determination of eligibility category affects the amount of federal funding received by the center.

Adult Day Care Sponsors

The participant in the adult day care facility may qualify for free or reduced price meals if your household income falls within the limits on this chart.

ATTENDANCE RECORDS

All institutions are required to maintain daily attendance records in order to document an enrolled participant's attendance in the center. (A copy of the Attendance Record Form is on the following page). Daily attendance must be totaled every day and recorded on the Record of Meals Served (17-9) form in the Total Daily Attendance (TDA) column.

However, a computer-generated attendance record is also acceptable. Institutions may design their own form, but it must contain, at a minimum, the information contained on the State Agency form.

Both the participant's first and last name must be included on the attendance record. **The name must be the same name that appears on the CACFP Adult Enrollment form/Income application, and Membership Roster.** Please be aware that **sign-in sheets are a licensing requirement, not a CACFP requirement. Sign-in sheets do not** replace attendance records. Participants who attend the center for any part of the day is considered present that day.

Failure to maintain daily attendance records or maintenance of inadequate daily attendance records will result in the recovery of CACFP reimbursement. Daily attendance records must be maintained on file for three years plus the current fiscal year.

CACFP Instructions for Completing the Daily Attendance Record

Fill in the Month/Year and Sponsor Information.

1. Using the Membership Roster, record the names of the participants.
2. Take attendance and total columns daily.
3. Place daily attendance totals from the attendance record form on the Record of Meals Served (17-9) form under the column that says, "Total Daily Attend".

**Do not use the Daily Attendance Totals for Meal Count Submissions.*

MEMBERSHIP ROSTER OF PARTICIPANTS

Institutions must be able to identify each month's total number of participants.

Each institution under a sponsoring organization must maintain a separate Membership Roster.

The Membership Roster must include the following:

- A date that the participant's enrollment form (EF) was signed.
- A date that the participants income application was signed.
The names of all participants enrolled and in attendance at the beginning of each new federal fiscal year (October 1) must be recorded on the Membership Roster. Names are added as new participants join the program. Additional pages may be attached as necessary. The Membership Roster may be completed by hand, or kept as an electronic document. If an electronic document is kept, a paper copy must be printed off at the end of each month and placed in the monthly folder.
- Institutions must ensure that participants' eligibility classification is correctly recorded under the Eligibility portion of the Membership Roster (Free, Reduced or Paid).
- The Membership Roster should accurately reflect the number of those enrolled at the center for each month.
- Membership reported monthly is determined from the actual attendance records. If a participant has been in attendance one day or a portion of that day **and has a current, complete Enrollment Form/Income Application**, they are counted in the sponsor's membership for the month. An F, R, or P is recorded in the participant's monthly attendance column.
- The Membership Roster must be cross-referenced monthly with attendance records, income applications and enrollment forms to ensure that only those participants in attendance with a current and complete enrollment form each month are claimed in the membership counts.
- After membership is calculated for the month, the Membership Roster is copied and placed in the next month's folder. If an electronic Membership Roster is kept, a paper copy must be printed off and kept in the monthly folder.

CACFP Instructions for completing the Membership Roster

1. Fill in the information regarding the Center, Month/Year and Sponsor.
2. Organize Enrollment Form/Income Applications in alphabetical order by last name. (Some centers chose to use multiple Membership Roster forms and separate their forms by classrooms, age ranges, and by the letter their last name begins with).
3. Place Participant's Name under the Participant Name (Last, First) column. Remember to use their full name (no nicknames) as it appears on the Enrollment Form/Income Application.
4. Ensure Enrollment Form/Income Application is complete and then input the date the enrollment form was signed by the parent under the appropriate column.
5. Ensure Enrollment Form/Income Application is complete and record participant's eligibility (Free (F), Reduced (R) or Paid (P) under the Eligibility column.
6. Using the Daily Attendance Record at the end of the month, determine if the participant was in attendance for at least 1 day during the month. If the participant was in attendance, record the participant's eligibility under the proper month.
7. Total the number of Free (F) Reduced (R) and Paid (P) participants that were in attendance for the month and record each total at the bottom of the page next to the appropriate letter.
8. Free (F) Reduced (R) and Paid (P) Totals for participants in attendance for the month will be used in order to file the monthly claim.
9. If a participant withdraws during the month, place the date of withdrawal under the appropriate column.
10. Remember to perform an Edit Check to ensure all participants were in attendance and all totals are correct prior to filing the claim.

PROGRAM COSTS DOCUMENTATION

Every institution that participates in the CACFP must demonstrate the operation of a non-profit food service program. **As provided by USDA's Financial Management-Child and Adult Care Food Program Food and Nutrition Service (FNS) Instruction 796-2, Revision 4, all institutions must operate a non-profit food service in which all CACFP meal payments are expended for allowable costs. This means that ALL of the money you receive in CACFP reimbursement MUST be used ONLY in the food service operation. All CACFP records must be maintained on file for three years plus the current year.**

The following are examples only and are not intended to be a complete guide as to how CACFP funds may or may not be spent. Refer to the FNS -Instruction 796-2, Rev. 3 or contact the State Agency if you have questions about allowable expenses.

Food and Milk Documentation

Allowable Costs: price of purchased foods referenced to menus, invoices, a food service management company or caterer.

Not Allowable: value of donated foods; cost of food lost as a result of fire, water, spoilage or other contamination in excess of \$100; fast food, personal groceries or items such as cigarettes, soda, dog food, etc.

Minimum Records that Support Cost of Food & Milk Used

- a. Invoices, bills, receipts (all food receipts used to document costs to the CACFP must be original, dated, itemized, and include the name of the store where the food was purchased);
- b. Canceled checks;
- c. Food inventory records;
- d. Records of cash discounts and other credits when they are not shown on purchase orders and/or invoices;
- e. Menus;
- f. Invoices from the food management company, caterer or school (reported as cost of food used);
- g. Daily delivery tickets that include components served, as well as the name of the catering source, date, number of meals ordered and number of meals delivered. These also must be signed and dated by vendor staff delivering meals and sponsor staff receiving meals.

These tickets should be compared to the monthly invoice received from the vendor to ensure that the sponsor was charged for the correct number of meals ordered.

Non Food Cost Documentation

Allowable Costs: Examples are: paper goods (napkins, straws, cups, etc.), cleaning supplies for kitchen and dining room.

Not Allowable: Examples are: general day care supplies or arts/crafts projects, games, videos, laundry and general cleaning supplies not used in the food service area.

- b. Canceled checks;
- c. Bank statements.

Note: Canceled checks and bank statements will be used only to verify payment of original receipts, and cannot be used as the only source of documentation.

If non-food items are used as part of the meal service (i.e. paper products, plastic silverware, kitchen cleaning supplies, eating area cleaning supplies, etc.) the total amount can be claimed. If only a portion of the product purchased is used for the food program (i.e. trash bags, paper towels), then only half of the cost could be claimed. Non-food items purchased for day care use only (i.e. toilet paper, Kleenex) cannot be included in program costs.

Tax may be claimed for non-food items under “Non-Food” on the Record of Expenditures, Form 17-8.

Program Labor Costs

Program Labor Costs for Food Service are limited to wages and fringe benefits paid by the sponsor to employees directly involved with the food service program. If the sponsor is reimbursed for an employee’s wages from some other source, it cannot be claimed as a cost to the Program.

- b. Personnel Activity Reports (PAR) – are maintained by employees to establish the amount of time per day spent on the food program when the employee has other duties. These must be signed and dated by employee at the end of the month. The PAR must be signed and dated by the employee’s supervisor. The PAR must be maintained in the monthly folders.

Program Administrative Costs

Program Administrative Costs include expenditures incurred by a sponsoring organization that relate to planning, organizing, and managing the food service program.

Allowable Direct Costs: wages paid for completing the application packet, approving income applications, conducting monitor reviews, training center personnel regarding CACFP requirements, time spent compiling the monthly Claim for Reimbursement, cost of computer equipment used to administer CACFP and attending State Agency training (training time may only be claimed for the month in which it occurs).

RECORD OF CACFP PROGRAM EXPENDITURES FOR THE MONTH FORM 17-8

The Record of CACFP Program Expenditures for the Month (Form 17-8) is the form that institutions use to record all of the expenses that are used to justify the reimbursement for the month. Institutions will keep this form, along with all receipts and the menu record, in the corresponding monthly folder. Every month, institutions will use the calculations from their monthly 17-8 form to record their program costs on the Justification for Reimbursement form. Programs will use the Justification for Reimbursement Form to record their quarterly costs in the ACQR (Actual Cost Quarterly Report) in CNIPS.

The Record of Expenditures form may be completed throughout the month or at the end of the month as long as the form is complete before the claim is submitted.

Recording the quantity of milk purchased on the Record of Expenditures form will assist in completing the monthly milk reconciliation. The milk reconciliation determines whether or not enough milk has been served and/or purchased to meet meal pattern requirements.

ACQR (Actual Costs Quarterly Reporting)

CACFP regulation 796-2 Revision 3 requires that all institutions show fiscal integrity and accountability for all funds received from the Child and Adult Care Food Program. All expenses incurred as program expenses must be approved and funds must be used for authorized program expenses only.

To meet this regulation, the State Agency requires that all institutions report their actual costs on a quarterly basis. Found in CNIPS at <https://cnips.education.ky.gov/cnips/> the quarterly report or ACQR is to be completed by January 31st for the first quarter, April 30th for the second quarter, July 31st for the third quarter, and October 31st for fourth quarter. The State Agency will review the costs each quarter to ensure that institutions are being fiscally responsible with CACFP funds. If during a review of the quarterly costs, it is determined that the institution is not using all of the funds received as is required by regulation, a plan of correction will need to be submitted.

****An ACQR Training Presentation is available on the State agency Website****

Pre-Approval Site Request Sheet

Sponsoring Organizations wanting to set up additional sites are required to fill out a Pre-Approval Site Request and submit it to the State agency along with the Pre-Approval Visit Form on or before the 25th of the previous month requesting to claim. Any Site Requests submitted after the 25th will be presented to the Application Review Team (ART) for review at the next month's meeting.

All submitted Site Requests will be reviewed by the Application Review Team (ART) and institutions will be informed of the acceptance.

Once the Site Request has been accepted, the State agency will establish a Site Application on CNIPS for the institution to complete.

Institutions must then complete the Site Request and Submit for Approval.

If acceptable, the State Agency will approve the Site Application and the Site may then begin to claim the approved meals.

Monitor Reviews

(For Sponsoring Organizations with more than one site)

Monitoring sponsored centers for compliance with CACFP regulations is an important responsibility of Sponsoring Organizations. Sponsoring Organizations can also use monitor reviews to provide technical assistance when needed.

Monitor Review Checklist:

- ✓ **3 reviews conducted each Fiscal year**
- ✓ **2 reviews must be unannounced**
- ✓ **Time between Reviews must not be more than 6 months (i.e. Oct., Feb., June)**
- ✓ **A meal service must be observed for at least 1 review**
- ✓ **Must ensure that review time is varied:**

A meal service must be observed during at least one of the monitor reviews conducted during the year. In accordance with USDA FNS Policy Memo CACFP 16-2011, sponsoring organizations must ensure that the timing of unannounced reviews is unpredictable. For example, unannounced reviews that always occur during the third week of January, third week of May, and third week of September are predictable. The review schedule should be varied enough that facilities staff are unable to anticipate the date/timing of the review.

A copy of the Monitor Review form may be found on the State agency website:
